Brother Timothy Mont La Salle Vineyard Cabernet Sauvignon

Elevating the collector pedigree of Brother Timothy bottling, these wines are made from the two-acre Mont La Salle Vineyard surrounding the estate where Brother Timothy served as winemaker for more than half a century. This Brother Timothy wine was carefully crafted by Dave Guffy, winemaker for The Hess Collection Winery.

“Growing wine on the same land that Brother Timothy cultivated links The Hess Collection Winery in a unique way to this project,” said Tom Selfridge, president of The Hess Collection Winery. “We are pleased to be part of a tradition that cares in a special way about the Mont La Salle Vineyard and the communities it enhances.”

2004:

The 2004 Brother Timothy Mont La Salle Vineyard Cabernet Sauvignon is a blend of 90% Cabernet Sauvignon, 5% Malbec and 5% Petit Verdot, and was aged 22 months in 100% French oak barrels (approximately 50% new oak). It possesses aromas of sweet cassis, red licorice, cedar and herb with a hint of smoke. It is full-bodied with a sweet entry of blackberry and cassis, yet a soft finish with velvety tannins, which allows for good near-term drinking.

2005:

The 2005 Brother Timothy Mont La Salle Vineyard Cabernet Sauvignon is a blend of 90% Cabernet Sauvignon, 5% Malbec and 5% Petit Verdot. This blend displays sweet black cherry, plum and cassis. The wine was aged for 18 months in French oak and is well integrated with subtle sandal wood and cedar box aromas. On the palate the wine starts with a soft entry of red raspberry and cherry. The mountain tannins are ripe and smooth that lead to a seamless but lingering finish. Enjoy this wine through 2018.

2006:

The 2006 Brother Timothy Mont La Salle Vineyard Cabernet Sauvignon is a blend of 95% Cabernet Sauvignon and 5% Malbec and was aged for 18 months in 65% New French oak. The aroma has a nice sweetness of ripe black cherries, black berry, and cedar. Secondary notes of anise, spice and tobacco make the aroma complex and interesting. On the palate there is the flavor of black cherry and a sweetness coming from the fully ripe mountain fruit. The structure is smooth with round Mount Veeder tannins present. Enjoy this wine through 2025
